We do not have responsibility with copyright of this book.

Awen is a tightly woven novel of suspense, intrigue, love, and warfare set on the border between the Welsh kingdom of Powys and the English kingdom of Mercia at the end of the eighth century. The result of years of devoted research, the novel centers on an ancient and enigmatic poetry cycle, Canu Heledd. Battles and kidnappings, blood feuds and political murders entangle the poet Cynfarch, as Brochfael of Powys struggles to protect his people's culture and sovereignty from the growing might of Offa of Mercia. From the harsh mountain valleys of North Wales to the quiet streams of western England, from the vanished court of Mathrafal to Charlemagne's throne, a bloody apocalypse looms as Cynfarch pursues both Meirwen's heart and his own quest for reinstatement as bard to the king of Powys.
