From New York Times and USA Today best-selling author Laurelin Paige comes a new story in her Fixed Trilogy series....

I like sex. Kinky sex. The kinkier the better.

Every day, it's all I think about as I serve coffee and hand out business agendas to men who have no idea I'm not the prim, proper girl they think I am.

With a day job as the secretary to one of New York's most powerful men, Hudson Pierce, I have to keep my double life quiet. As long as I do, it's not a problem.

Enter: Nathan Sinclair. Tall, dark, and handsome doesn't come close to describing how hot he is. And that's with his clothes on. But after a dirty, filthy rendezvous, I accept that if we ever see each other again, he'll walk right by my desk on his way to see my boss without recognizing me.

Only, that's not what happens. Not the first time I see him after the party. Or the next time. Or the time after that. And as much as I try to stop it, my two worlds are crashing into each other, putting my job and my reputation at risk. And all I can think about is Nathan Sinclair. All I can think about is getting just one more dirty, filthy fix.

Every 1001 Dark Nights novella is a standalone story. For new listeners, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.
