## THE THINGS WE DO FOR LOVE . . .

For the love of her son, Elizabeth Donnelly was going to sneak back to De Colores, an island paradise to the eye and a horror to the soul. There she would find her boy, a prisoner of the regime just as she had once been, and spirit him to safety. But she couldn't do it alone.

She sought help from Sloan McQuade, a tough-hearted loner who frequented the, trouble spots of the world and always came away with what he wanted. At first he tried to dissuade her, but then she began to have a strange effect on him. The man who'd sworn he could never love any woman decided to tackle the impossible to make this woman happy.
