For the information, horsesaysinter do not place About a Boy pdf downloads on our server, all of book files on this hosting are collected via the internet. We do not have responsibility with copywright of this book.

'How cool was Will Freeman?'

Too cool! At thirty-six, he's as hip as a teenager. He's single, child-free, goes to the right clubs and knows which trainers to wear. He's also found a great way to score with women: attend single parents' groups full of available (and grateful) mothers, all hoping to meet a Nice Guy.

Which is how Will meets Marcus, the oldest twelve-year-old on the planet. Marcus is a bit strange: he listens to Joni Mitchell and Mozart, looks after his mum and has never owned a pair of trainers. But Marcus latches on to Will - and won't let go. Can Will teach Marcus how to grow up cool? And can Marcus help Will just to grow up?
